SSC in Quarantine

Dear Parents, Students, and 2020 Graduates,

As we all are acutely aware, our world and lives changed in March, 2020. A never-before-seen paradigm shift occurred in the way we conducted the formation of young men at Saint Stanislaus. With the global pandemic and this shift, we had to change the way we do so many things at SSC and one of those was this yearbook.

Without students and teachers on campus, with publication delays, and massive workforce absences, we attempted to put together everything we could to bring these memories to you. It was a daunting task and you have our most humble apologies for the length of time it has taken to bring this book to completion. With that being said, the 2019 - 2020 yearbook will not be as comprehensive as past yearbooks; however, we were determined to power through the delays and provide you with a reflection of the unprecedented school year. Regretfully, because of the restrictions of the pandemic and the impact on completing sports seasons and fourth quarter activities, some sections will be shorter and less comprehensive than our original vision.

Prior to shutting the doors on March 13, 2020, we had a wonderful school year and we are grateful for the cooperation from you to bring the year to a successful close. I thank each and every one of you for your patience and wish only the best to you wherever you are in your lives right now. You have our word that we will do better in the future and, like all of you, we look forward to getting things back to normal.

Sincerely,

Gary Blackburn
Principal

Big Brother Program

Big Brother, Little Brother is an SSC Tradition that pairs Seniors with 7th grade students. The purpose of the program is to ease the transition for 7th graders by matching them with a senior who can mentor them, participate in activities with them, and generally help guide them through their 7th grade year.

ROCK NATION

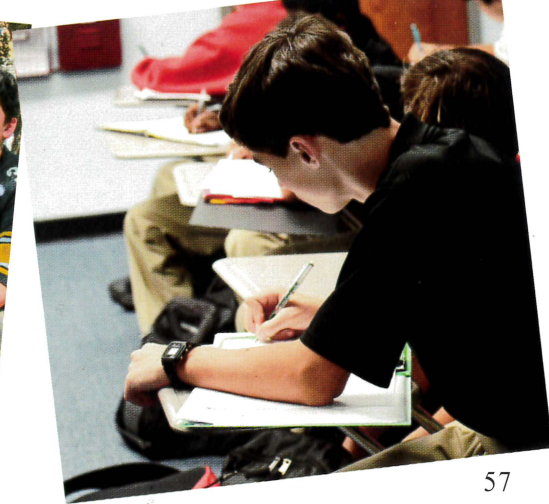

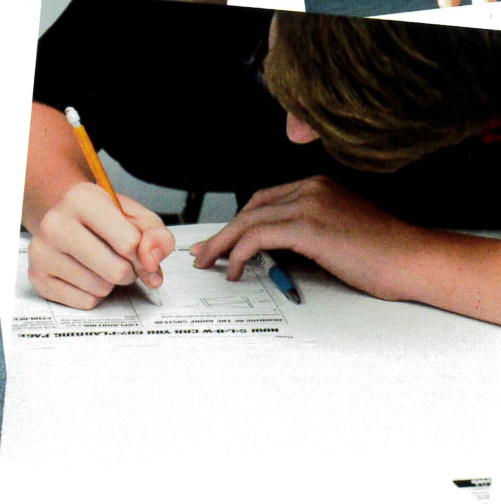

Rock Nation is the gathering of the student body to cheer on our athletic teams. The main goal is to maximize the noise in order to establish the school's presence and proclaim our spirit. The Rock-a-Chaw student section prides itself on representing SSC while promoting the highest ideals of sportsmanship.

Kairos

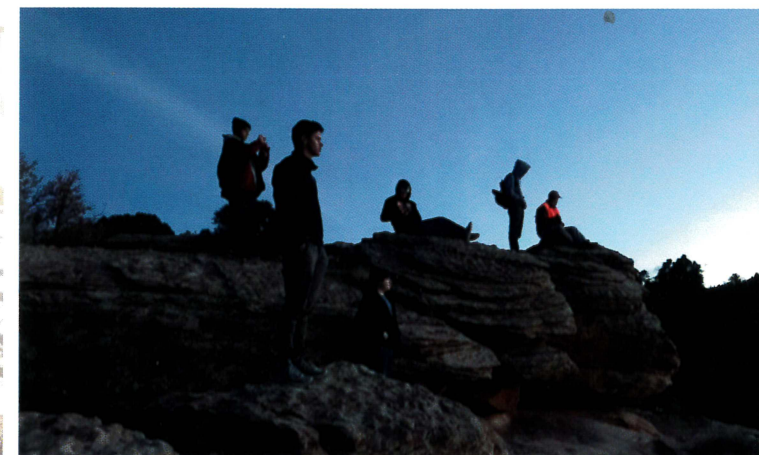

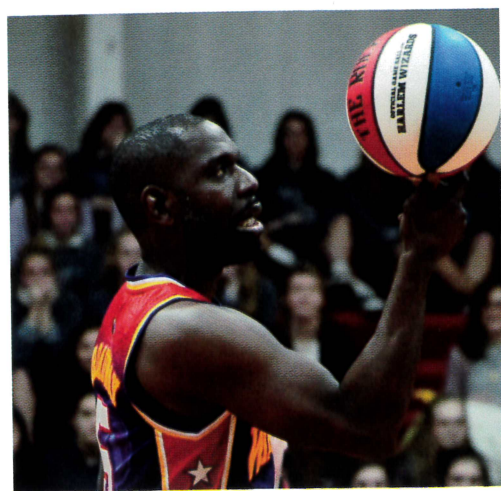

Kairos focuses on helping students explore their personal relationship with God through a process of discovery and discernment. During this process, these students have the opportunity to bond with other students and faculty members as they build a community that fosters honesty, prayer, and trust. The students who participate in Kairos commit to the year long process of meetings and weekend retreats that are the foundation of this spiritual journey.

Klagetoh

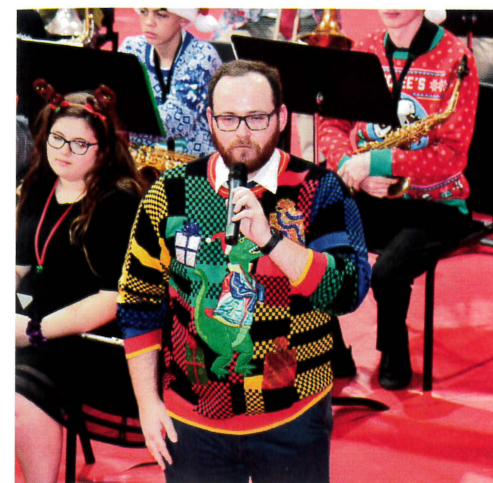

Saint Anne's Mission in Klagetoh, Arizona is a mission church of the Franciscan Friars within the Catholic Diocese of Gallup, AZ. The mission serves the faithful in the communities of Klagetoh, Wide, Ruins, and Cornfields on the Navajo Reservation. Volunteers often assist in the regular ministries of the mission. Special projects serving those in particular need are arranged for visiting groups. These projects include home painting, home renovations and additions, digging trenches, helping with livestock, visits to nursing homes and other facilities. SSC makes two trips per school year to the mission; however, due to the pandemic, the Spring 2020 trip did not take place.

THE CORONAVIRUS PANDEMIC 2020

"Senior year was something that I was looking forward to since the last day of Junior year. Everyone I knew who graduated before me said that senior year would be the best year of high school. Although the first half of senior year went fine, not being able to have a normal second semester was really disappointing. Some of the major things that we lost were Prom and the Senior Farewell. Though we missed out on a lot, the Stanislaus administration did its best to give our class a fitting sendoff. Because of the pandemic, Graduation was not done in the traditional format but at least we were able to be together as a class for one last time." -Ethan Favre '20

social distancing

Generally, social distancing involves measures to restrict when and where people can gather. The goal is to stop or slow the spread of infectious diseases. Measures can include limiting the number of people who can gather, staying six feet away from others, closing schools, asking people to work at home, canceling events, limiting or shutting down public transportation, etc.

coronavirus

Coronaviruses, named for crownlike spikes on their surfaces, are a family of viruses that can cause disease in people and animals. Although there are several coronaviruses, it became widely understood that "coronavirus" referenced the COVID-19 virus impacting the world.

shut down

As COVID-19 cases grew, schools and businesses across the globe closed to curb infection rates.

shelter in place

A measure taken by local and state governments, requesting Americans to stay at home to reduce coronavirus spread.

COVID-19

Stands for coronavirus disease 2019. Symptoms of COVID-19 can include fever, cough and breathing trouble.

QUARANTINE

Separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick.

PANDEMIC

An epidemic is the rapid spreading of disease in a certain population or region. A pandemic is an epidemic that has spread worldwide.

LEARN THE

LINGO

COVID-19 disease introduces the world to a new lexicon

CANCELED

An often repeated word as classes, games and events were canceled. Note, American style uses one L in cancel, canceled and canceling, but two in cancellation.

hand-washing

Hand-washing became a national routine as health experts and the media reminded people to regularly wash their hands with soap and water for 20 seconds.

UNPRECEDENTED

As the coronavirus spread across the globe, "unprecedented" became the go-to phrase used to describe the unexpected chain of events, cancellations and closures.

self-isolation

According to the CDC, isolation is separating sick people from healthy people to prevent spread of disease. Many people believed to have been exposed to the virus were asked to practice self-isolation at home.

abundance of caution

Another catch phrase used as schools, businesses and city governments began taking precautions to stop the spread of the coronavirus.

flatten the curve

A phrase referring to a COVID-19 graphic showing a steep incline in cases. Social distancing and shelter-in-place measures were implemented to "flatten the curve," spreading out cases over a longer period of time and putting less stress on the health care industry.

remote learning

Also known as distance learning, virtual teaching, virtual instruction and online education. Schools across the country canceled in-person instruction, with many moving to remote learning in late spring.

M-m-m-my Corona

The CDC and WHO recommend washing your hands for 20 seconds to protect against the coronavirus and other pathogens. Here are popular alternatives to singing "Happy Birthday" and the ABCs.

"All Star" by Smash Mouth

Hey now, you're an all star,
get your game on, go play
Hey now, you're a rock star,
get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold.

"Truth Hurts" by Lizzo

Why men great till they gotta be great?
Don't text me, tell it straight to my face.
Best friend sat me down in the salon chair.
Shampoo press, get you out of my hair.
Fresh photos—with the bomb lighting
New man—on the Minnesota Vikings
Truth hurts needed something more exciting
Bom bom bi dom bi dum bum bay

"Bohemian Rhapsody" by Queen

Is this the real life?
Is this just fantasy?
Caught in a landslide,
no escape from reality.

Open your eyes,
look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go,
little high, little low
Any way the wind blows doesn't really matter to me, to me.

"Jolene" by Dolly Parton

Jolene, Joeline, Jolene, Jolene,
I'm begging of you please don't take my man.
Jolene, Jolene, Jolene, Jolene.
Please don't take him just because you can.

"I Will Survive" by Gloria Gaynor

At first I was afraid, I was petrified.
Kept thinking I could never live without you by my side.
But then I spent so many nights thinking how you did me wrong.
And I grew strong, and I learned how to get along.
And so you're back, from outer space
I just walked in to find you here with that sad look upon your face.
I should have changed that stupid lock,
I should have made you leave your key.
If I'd had know for just one second you'd be back to bother me.
